Designation Director of Public Health

Station Madras.

To

The Secretary to Government,
EDUCATION AND PUBLIC HEALTH Dept.
Madras.

Enclosures:

R. No. 19630-E-42-1. dated 30th July, 1942.

Sir,

Sub: Establishment - Public Health - Udipi Municipality Appointment of Registrar - Vaccinator Sri E.D. Ananda - exemption from age limit.

***

In forwarding herewith a copy of letter Roc. A1-1393-6-42 dated 28-6-42 of the Municipal Commissioner, Udipi, I have the honour to state as follows:

Under regulation 4 of the Public Health Establishment ~~Er~~ Regulations, Vaccinators and Birth and Death Registrars must not be more than 30 years of age at the time of recruitment under a local authority. Though Sri E.D. Ananda was within the age-limit when he was appointed under the Tirupur Municipality, the restriction regarding age will have to be applied separately in regard to ~~kkk~~ his appointment under the Udipi Municipality as the two local bodies are separate units for purposes of recruitment. His appointment under the Udipi Municipality is not therefore in order as he exceeded 30 years on 18-6-42. As this is a case of hardship, I recommend that the Government may be pleased to relax the rule regarding age-limit in favour of the candidate in respect of his appointment as Registrar-Vaccinator under the Udipi Municipality.

Copy of letter R.O.C. A1-1393-6-42 dated 28-6-42 from the Commissioner, Udipi Municipality to the Director of Public Health, Madras:

The Government in their order Ms. 1867 P.H. dated 18-6-42 having sanctioned the post of an additional Sanitary Inspector, the incumbent in the service of the Municipality as Vaccinator Registrar is promoted and appointed as additional Sanitary Inspector with effect from 1-7-42. Consequently the post of the Vaccinator-Registrar will be vacant. Mr. E.D.Ananda, qualified Sanitary Inspector, belonging to an important Indian Christian community and a resident of the Municipality is a candidate for the post. His date of birth being 18-6-1911 as per S.S. L.C., he has completed 31 years on 18-6-1942. As per regulation 4 of the Public Health Establishment (L.A.) Regulations, 1940, issued in G.O. No. 5924 P.H., dated 17-12-40, a person selected for appointment must not be more than 30 years of age unless such person held appointments on epidemic or festival duty under any local authority during the period of three years preceding his regular appointment if he had not attained the age of 35 years. But the case of this candidate is a peculiar one. He was appointed by the Tirupur Municipality

as First class Vaccinator from 11-2-41 to 30-4-41 in a leave vacancy. Again he was acting in leave cacancies from the 12-8-41 to 9-11-41 and from 20-12-41 to 28-2-42 under the Coimbatore Municipality. When he was appointed by the Tirupur Municipality he was within 30 years ~~hyxthaxMunixipaxixHealth~~ of age; but he had exceeded 30 years of age when he was appointed by the Municipal Health Officer of Coimbatore Municipality. However, the circumstances under which the Municipal Health Officer, Coimbatore, selected the candidate whose age exceeded 30 years are not known. Anyhow it is clear that the above appointments held by the candidate both under Tirupur and Coimbatore Municipalities were in leave vacancies and not on epidemic or festival duties. The case of the applic nt Mr. E.D.Ananda is a hard one richly deserving sympathetic consideration. Otherwise, he will have no chance of being appointed in regular service under any local suthority at any time unless he gets a chance of serving on Epidemic or festival duty before he attains the age of 35 years. In view of these considerations and in view of his service in other municipalities in the Madras Presidency, I request the Director of Public Health to exempt the candidate from the operation of age limit prescribed by the regulations. As the appointment is to be made urgently, very early orders may kindly be issued.

E & P. H — (E1)

Establishment - Public Health — Medical Duty — Appt. of Registered Vaccinator — Sri E.D Ananda — Exemption from age limit — orders issued

From Rc D.P. H No. 19630 - C - 42 Dt 30.7.42

Order

Ms.

Under Regulation 4 of the Public Health Establishment Local Authorities Regulations 1940 His Excellency the Governor is pleased to exempt Sri E. D. Ananda from the operation of the restrictions in respect of age under Regulation 4 of these Regulations to enable the Medical

C.No. 4001(S). From the D.P.H. R.No. 19360-E.42.1 dated 30-7-42.

Establishment- P.H.- Udipi Mty. Appointment of Sri.E.D. Ananda as Registrar- Vaccinator- Exemption from age limit.

It is proposed to appoint Sri.E.D. Ananda a quali-fied Sanitary Inspector in the permanent vacancy of Registrar-vaccinator in the Udipi Municapality. The candidate was ~~more than~~ 31 years old on 18-6-42. The Commissioner Udipi Mty. therefore requests the Govt. to exempt him from the age limit of 30 years ~~and~~ prescribed in Regulation ~~4~~ 4 of the P.H. Regulations. As it is a case of hardship the D.P.H. recommends the request.

2. Under regulation 4 of the P.H. Regulations for appointment as Sanitary Inspector the a candidate must not be more than 30 years of age unless he has held appoin-ments on epidemic or festival duty under any local authority during the period of 3 years immediately preceding his regular appointment, in which case his age should not exceed 35. Sri Ananda has exceeded 30 years on 18-6-42. He has not held any appointment on festival ~~duty~~ or epidemic duty in any local body but he worked as a I class vaccinator in the Tiruppur Mty from 11-2-41 to 30-4-41 in a leave vacancy. He also acted in leave vacanc vacancies in the Coimbatore Mty. from 12-8-41 to 9-11-41 and from 20-12-41 to 28-2-42. Although he commenced his probation in the Tiruppur Mty. before he completed his 30th year, the D.P.H. says that the restricitions regarding age will ~~have~~ to be applied separately in regard to his appoint-ment in the Udipi Mty., as the two local bodies are separate units for purposes of recruitment. His acting service in one Mty. may not count for Seniority and probation in another municipality. But since he commenced his probation in a municipality before he attained 30 years, it seems doubt-ful whether he should be considered age-barred for appointment in another local body. It may be observed in this connection that his appointments in the Coimbatore Mty. ~~were of the~~ after he completed his 30 th year on ~~12-6-~~ 18-6-41.

3. There is no specific provision in the P.H. Regulations empowering the Govt. to relax the rule regarding the age limit in favour of Sri. Ananda . But Regulation 46 of P.H.Regulations authorises the Govt. to do anything for mitigating the hardship caused to a member of the P.H. establishment, if in the opinion of the Govt. hardship is caused to ~~a member of P.H. establishment~~ him. As this seems to be a case

of real hardship it is for consideration whether Govt. may relax the rule regarding the age limit (Regulation 4) in favour of Sri Ananda.

4. ~~The remarks of I.A. and Legal may be obtained~~ U.O.

Order 2703 d 31/8/42

This.

Under Regulation 46 of the Madras Public Health Establishment (Local Authorities) Regulations, 1940, His Excellency the Governor is pleased to relax in favour of Sri E.D. Ananda regulation 4 of those Regulations in so far as it relates to the age limit for appointment of Vaccinators and Birth & Death Registrars, in order to enable the Health Officer to appoint the individual referred to as Registrar-Vaccinator in the Udipi Taluk.
